

T-110.5220 Information Security and Usability

Assignments of the course 2013

Lecture diaries

- Six content lectures -> at least five diaries
 - Max 2 pages long
- 1/3: Three main points of the lecture
- 1/3: What literature say about the topic
 - Short description and the source
- 1/3: Your own thoughts
- Two questions that remain open for you
 - > these will be discussed with other students

Reading the diaries

- Return your diaries to Optima latest one week after the lecture
- Read at least two other diaries of the same lecture
 1. Answer (or discuss further) to the questions of other students
 2. Comment the answers of your own questions
= write two articles
- Write your answers/opinions using Optima's discussion forum in two weeks after the lecture

How much?

- Participation to the content lectures
 - You can miss one lecture
- At least five lecture diaries
- Participation to discussion as described above
- No exam

Grade

- 0, if you do less than five diaries & discussions
- 3, if you do all that is expected
- 5, if we can see from the diaries and discussion that you have really thought the topic
 - = You do more than was defined as requirements
- Other grades are not used
